

Village of Fairgrove Dump Pass

Village Dump Is Available for Village and Township Residents Only

Please read and understand the acceptable materials list below before signing pass:

Acceptable Materials

Organic Yard Waste limited to no more than one 16ft trailer load or equivalent per pass:

- Branches and Trees cut down to at least 6ft sections
- Bushes and shrubs
- Grass clippings and Leaves

Yard waste can be in biodegradable bags or loose only.

Inorganic Wastes limited to no more than one 8ft truck bed or equivalent per pass:

- Stone or broken cement 2'x2' or less in diameter.
- Clean Dirt (uncontaminated by chemical saturation)
- Clean Sand (uncontaminated by chemical saturation)
- Clean Gravel (uncontaminated by chemical saturation)

Inorganic materials must be separate from organic materials, additionally branches/trees must be separate from all other organic waste.

For this pass the Village dump will be open _____ from _____ to _____ AM.

This pass is only good for the date and time frame listed. If you miss this date you must acquire a new pass from the Village Clerk.

By signing this pass, I acknowledges that I have read and understand the list of acceptable materials and amounts for disposal at the village dump, and am required to present a copy of this pass upon arrival or entry will be denied
